Open our minds and hearts through the Holy Spirit that we too, might be able to realize Our Lady's understanding who could say "Be it done according to Your Will".

# VOCATIONS

The year of the Priesthood June 19, 2009 to June 19, 2010.

In September of 1949 at St Joseph's Seminary there were seminarians who represented all the services of the U.S. Armed Forces: Navy; Tom Leonard, Ray Shine, Bill Tucker. Air Force; Frank Tucker, Bill's brother, Jim Tubridy, Frank Elliot. Army; Gene Connolly, John Servodidic. Surely the most awesome of that military group was John Thenen.

John was born in Germany about the year 1925. Before he reached his twentieth year he was serving in the German Army, for a short time in North Africa but with the German Army moving beyond Poland transfers were made. The army staff had an eye on Russia. And in that four hundred thousand force of men that began the invasion of Russia was John Thenen. That battle for Leningrad will always be remembered for a stirring defeat that matched the defeat of Napoleon in 1813 when he went against the Russians with four hundred and fifty thousand soldiers who were stopped and slaughtered. Only six thousand returned to France.

In 1943 John Thenen was captured by the Russians and sent to a prisoner camp in Siberia. He was fortunate enough to survive with his life although not without critical damage to his feet that carried this German college student to many track victories.

What anyone would notice in John's approaching steps was the cumbersome shoes he wore. In his movement he seemed to be off balance because a lift in one shoe that took the stress off the ball of the foot impaired the sole touching the floor evenly. John's feet were terribly disfigured and distorted because of frostbite that almost surrendered to amputation. From time to time even though he soaked the feet, the intermittent unexpected pain would shiver through his veins. John had developed astounding patience. In battles without sleep, in the fright of death when explosives were killing men around him, in the prison camp where little sleep and ruthless labor enforcement had him dying in spirit; he kept putting one foot ahead of the other.

In the seminary John unaware of himself was a great teacher of patience. On so many occasions when students were naming some petty complaints and John, listening, was asked, "John, what do you think?" John's response always, "Not so bad as Russia." The phrase became a standard reply of others who were telling their associates to 'shut up.' Those words had power. To this day they are spoken with affection and bring to mind a man who was the living sign of the cross back in those days.

## Then and Now

St. Maria Goretti, Pray for us.

Terror in the skies, earthlings held down  
Millions abandoned, who wears the crown.

St Maria Goretti, God's special claim  
Her glory, forgiveness, of a young man's shame.  
We small, but with hope, renown.
