Open our minds and hearts through the Holy Spirit that we too, might be able to realize Our Lady's understanding who could say "Be it done according to Your Will."

## Our Times

Today we live in a world wherein relativism holds sway. This attitude of mind and heart does not believe in any absolutes save the dominance of an individual's feelings. Right and wrong is a personal thing – what I accept as right is right for me and what I accept as wrong is wrong for me. In this state of mind and being there is no absolute standard, no truth as we Christians believe. The individual reigns supreme, he/she is the arbiter of truth.

What lies behind this is the rejection of God. It is the individual supplanting the place that God once occupied. A person becomes a god in his/her life, set adrift and often at odds with others that once exercised a time honored authority. This situation starts early on in society with children who are encouraged to do what they want, to be what they want to be. Role models are dismissed, parental authority is shoved aside, boundaries are obliterated, and chaos is the order of the day. Discipline and more importantly, self-discipline, is given short shrift.

As I maintain, this is the new atheism that is encouraged today. It is plastered all over the media and is tolerated in many of our institutions. Without a clear acceptance of God as our creator, we are without the stability that is necessary for what we understand as maturity and growth.

Given the sad state of the human condition with its inherited tendencies of selfishness and sin, there is no way to counter-balance this predisposition without an all powerful, universally available God who rights the wrongs of our human nature. He sets the way for authentic development; He gives the directions; He forgives the missteps and sins of a person's life; He provides us the means wherein we can live, not only tolerably, but happily, with each other in the world of His creation.

The reasons for sending His Son to us are all the above. Authentic human development is the by-product of Jesus' presence among us. Moreover only Jesus, the Son of God, gives us the fulfillment of human existence with an eternity He won for our sake.

Fr. Healy
