Holy Father in your Love revealed in Jesus Your Son, we gather with Him to listen to His Word and to offer thanks with Him for His Gift to You in the unbloody sacrifice of the Mass.

Open our minds and hearts through the Holy Spirit that we too, might be able to realize Our Lady's understanding who could say "Be it done according to Your Will".

HOPE

As the summer rapidly unfolds with its heat and humidity, odd things happen to us all. In this brief reprieve from the cold and wintry days ahead we have time to reflect on this mysterious planet we inhabit with its changes and not so predictable weather patterns, its beauty yet shocking eruptions in time and space. It mirrors our own change in mood and disposition, our ups and downs, our own erratic behavior yet our underlying hope is that all turns out well.

Hope springs eternal! Yet what do we base that on? Hope is a virtue and virtue is the grace that God gives us to believe that He is the Creator of this universe and that His motivation is His divine love that sustains and perpetuates what he has created. That, of course, includes ourselves. Underlying all that we hope to do or to be is this marvelous gift of God. It moves us forward, it initiates and motivates us to reach beyond our limits, seeking always to accomplish what God desires. Hope allows us to participate in God's creative plan, even promising us a share in the eternal life God has sent His Son to win for us. No matter how difficult things may appear God's love is always with us. Even though we may fail Him at times, even though we are filled with regrets and guilt, do not despair. It was for these reasons God sent His Son to us – to lift us up, to embrace us with His all forgiving love and compassion. Yes, hope is eternal for God is eternal and is with us forever.

Respect Life

"In 1857, the U.S. Supreme Court looked at the slave, Dred Scott, and came up with the wrong decision, declaring the slave as "property" and not a "citizen"... The slave's life was still protected. In 1973, the U.S. Supreme Court got it wrong again and handed down decisions on abortion which declared "open season" on unborn children throughout the full nine months of pregnancy.... Most people have not noticed that the population descended from U.S. African slaves, comprising around 12% of the population, make up about 35% of the abortion population. [Since 1973, more than 14 million unborn black children have died from abortion.]
