OUR JOURNEY IN FAITH

As we begin this Ordinary time of the liturgical year you may ask what are some of the distinguishing features of this period, what are we celebrating and to what end or purpose are we seeking? As with all liturgy our aim is to worship and praise our God and to thank Him for sending His Son to save us. In particular during this time we attempt to listen to Jesus in such a way as to enable us to become like Him. It is a time of assimilation, patterning our response to life's questions and dilemmas as Jesus Himself has done. It is as St. Paul suggests our way of "putting on Christ" - in speech, action and orientation, becoming through grace and faith a new person in the Lord. There is much introspection and questioning of self during these days as we seek to authenticate our faith with our lives. Surely there will be mistakes, half-hearted attempts and failures. But there is also the belief that God is always there ready and waiting to assist us in our need. Yes, we need to pray for an increase of faith and for a willingness to turn to God for His merciful help. We must always remember that we are but disciples of the Master, pupils who must keep in front of us the goal of our Teacher - union with God forever!

PASTORAL PLANNING

Making All Things New is the pastoral initiative established by Archbishop Dolan to create a process for strategic parish planning in the Archdiocese of New York. Although the process is still in the pre-planning stage, its purpose is to make sure that Mass, the sacraments and the life of our faith are available to every Catholic, now and in the future.

Priests and deacons who serve in the Archdiocese have already been consulted and religious sisters and brothers will be consulted about the wisest and most effective ways to insure that the human, financial, and brick and mortar resources of our parishes will continue to serve all of us today and in the days ahead.

Now it's our chance to help the Archdiocese make important choices about parish criteria and the structure of our parish planning process.

Our consultation begins with a **survey** which will be inserted in **next week's bulletin**. This week a member of our Parish Council will speak at all the Masses about this pastoral initiative.
