RESPECT LIFE

The Vatican condemned the recent decision by recent U. S. regulators to begin using embryonic stem cells in clinical tests on human patients. The destruction of human embryos involved in such research amounts to the sacrifice of human beings and is to be condemned. *The Southern Cross*

LIGUORIAN MAGAZINE

We are happy to have **Fr. Sean McGillicuddy**, C.Ss.C.R. with us this weekend. Father will be making a presentation to us about *Liguorian* magazine, a leading Catholic magazine published by the Redemptorists. It gives solid and straightforward answers to the important questions and problems facing Catholics today. We highly recommend *Liguorian*. Subscription envelopes will be handed out at all the Masses today.

HOLY FATHER'S INTENTION FOR FEBRUARY

That the family may be respected by all in its identity and that its irreplaceable contribution to all of society be recognized.

OUR JOURNEY IN FAITH

I hope you are enjoying all the snow of the past few weeks but enough is enough! But time passes quickly and soon we will be complaining about the heat of summer. As we were journeying in faith I mentioned how important God's people are, that we all constitute what the Church is. During these coming weeks the Archdiocese is seeking your input in planning the future. Please take the time to fill out the survey you will be given and return it to us. Our next opportunity to serve the Church is the annual Stewardship Appeal. You should be hearing from the Archbishop and, by next week, from myself. Your continued support is so truly appreciated.

As for the near future we are planning for a mission to be given by the Redemptorist Fathers on March 5th through 10th of this year. We will be looking for volunteers to assist with this experience. Also I have been trying to find an organist for our Saturday 5:00PM Mass. Do you know of anyone I could ask to do this?

As you have noticed, on the two sides of our sanctuary there are statues of St. Joseph and St. Patrick. Their feast days in March are a great cause of rejoicing and I'm sure you will take part in whatever is to be planned.

We are also mindful of our teens and the need to reach out to them. Your ideas and assistance will be much appreciated.

God bless you and may the life-giving rains of spring replace the frigid snow of this season!
