Our Journey in Faith -

This week ushers in a New Year with all the revelry and hoopla that contemporary America can summon. I guess that when we were young the passing of one year into another was something to celebrate. But with time and age flying by we just marvel at how many years have passed and how few there are to welcome. Our temporal life is limited and there is little we can do to change this. However, we have an eternal destiny to face and, with God's help, there is much to be done. When we consider the short lifespan of Jesus we are amazed at all that He accomplished. Coming from a somewhat isolated place, Nazareth, being the child of a simple peasant girl and a carpenter, embarking on a public ministry for three years, and enduring death and resurrection at the age of thirty-three. His life and deeds were incomparable.

There was never anyone since or before whose impact on the world was greater. The extraordinary impact of Jesus' life and message was that He was sent by our Father with Good News that transcends our earthly life. Eternal life is what awaits us all. Even with the passing of years there is much to anticipate - life with God forever!
