Our Year in Faith - The climax of the preparation for catechumens in the new Rites of Initiation is as it did in the ancient Church takes place at the Easter Vigil. This liturgy is certainly the most beautiful as it ushers in the most important Solemnity in the Church's calendar.

Invited to come forward, the catechumens with their Godparents witness the blessing of the water with which they will be baptized. The blessing itself reminds all how God has demonstrated His power through its use from the beginning of time. The catechumens then make their baptismal promises: denying a place in their lives to evil and expressing belief in the Trinity of Persons, the Church, and our eternal destiny. The community welcomes them warmly by acclamation but also by renewing their own baptismal promises. It is awe inspiring for the community to see those who have journeyed to this moment. It is awe inspiring for the newly baptized to see those who have remained faithful throughout their lives. The new brothers and sisters now, in the traditional order of the Sacrament of Initiation, receive Confirmation. The prayers remind them of the constant presence of the Holy Spirit who wishes to share His gifts and fruits on a daily basis. Now as part of the community they celebrate the Liturgy of the Eucharist sharing in Holy Communion for the first time. With the entire community they receive the blessing of this Paschal liturgy and are dismissed to witness to the world the joy, peace and love they now experience and want to share.

All members of the Church must realize that what we have described these last few weeks is not another program of the Church, it is the mission of the Church unfolding for herself the deepening of the intimacy between herself and the Lord.

Our Journey in Faith -

One wonders why there is often irrepressible joy in the midst of life's more difficult moments. Illness, hardship, poverty and yes, even penitence, can fill one with a sense of fulfillment and happiness. Perhaps it's the self knowledge of doing the best one can do during trying times. When alone and lost getting back on the right road can be almost exhilarating. At last there is a direction that will lead us safely home. St. Paul wrote to the Ephesians, *You were once in darkness but now in the light of the Lord.* With Christ, life can take a turn which resolves many of the bleak problems of our spiritual and physical dilemmas. The reason is because God empowers us to face the challenges that beset us, He forgives us the weakness and sinfulness that drags us down, and He shows us how life can be lived anew by following His way. And His way is one of love and compassion. So rejoice in the Lord and sing His praises *for the Lord is my shepherd; there is nothing I shall want!*
