The Year in Faith - Last Friday we celebrated the feast of St. Francis of Assisi, the patron saint chosen by our Holy Father in name and indeed as he was called to ministry as our Chief Shepherd. We know that they have many things in common and share similar concerns for the Church in their times. But we are also aware that our secular society and sometimes our religious communities diminish their significance and almost caricature their teachings. For example, Saint Francis is pictured as talking to the animals and running about in his habit with his monks. Little recognition is given to the fact that he was a reformer: the church needed to be rebuilt on the foundations of the evangelical counsels of poverty, chastity, and obedience. His care for nature was always within the context that we are stewards of God's creation. Our pope is not merely kissing babies, making surprise phone calls, or driving more modest cars while dwelling in a modest Vatican set of rooms. And he is certainly not calling for a change in the moral landscape. He is challenging all of us to rebuild with him the greatness of the church which lies not in institutional form but in personal outreach. Pray to St. Francis of Assisi for our modern Francis who is walking with us on the journey of faith.

Making All Things New -

Our increased giving campaign is a part of making all things new. To make all things new one has to have a sound financial base. Each parishioner is a family member of the parish and we are asking you to do the following: Think about your weekly offering and consider increasing it. Use the parish envelope or register to receive them. Our parish is a home and as in any home it has expenses. Our parish home depends on its family members to help maintain it. We are asking everyone to sincerely consider increasing their weekly contribution to the Sunday collection. Increasing your weekly offering by a few dollars would allow the parish to maintain itself as well as the services and ministries that we are accustomed to. Remember that holding parish functions, meetings, and other activities cost money. The parish lights, air conditioner or heating are needed for these events to take place. We are a family and together we can help the parish and its future. Help by filling out a special campaign envelope to increase your giving and continue that increase over the next 52 weeks. We appreciate every contribution that you offer.

P.S. As you may have noticed, our parish family significantly depreciates in the summer months. If parishioners could somehow remember the parish it would help with the summer budget. Air conditioning is expensive. Perhaps if those of you are away through "Parish Pay" you could still be a vital help to our parish. You can visit their website at www.parihsay.com.
