The Year in Faith - In the Scriptures today we hear of two medical cures seen as miracles. Because of their distance from us in time and space their relevance might be missed. This causes too many to call that era the age of miracles as if miraculous occurrences are unknown to us. All of us though see miracles coming about as we wake in the morning, witness a sunrise, and overcome adversity. How many times have we seen our bodies and those of our neighbors healing unexpectedly because of prayerful intercession of faith? How many of us look gratefully at the miracle of a new life as a baby is born? And what about the miracle of conversion when we see the addict rise above the ashes of his or her existence to become reintegrated in family and society? These are just as miraculous as the expulsion of demons by Christ and the apostles or raising the dead to life. But is our thanksgiving there? Do we take things as merely human accomplishment? These are God's gifts to our generation. Let us use them wisely. Let us thank God in that greatest act of thanksgiving which we have received from the Lord Himself: the Holy Sacrifice of Mass.

**Making All Things New -
Sharing Our Gifts Program-**

We all face uncertainty in our lives and meeting our needs has often been a great challenge. Like you, the parish must meet its financial obligations; it is vital that every member of the parish participates by increasing their weekly offering. Let us share the gifts that we have received and continue to do so.

Our history shows that our parish was built by a hardworking and dedicated community. Let us continue this spirit of unity by committing to doing two of three things:

- Increase our weekly contribution
- Use the envelope system. To sign up fill out a welcome envelope located in the back of church or call the rectory
- Use the electronic giving system, ParishPay, to give your weekly contributions. You can enroll either by going to www.ParishPay.com, using the special envelope or call 1-866-727-4741

These small steps will make a considerable impact on our parish and our community. There are many parishioners who have already said yes to our future. Thank you for taking our request seriously. We are most appreciative.

World Mission Sunday will be observed on the weekend of Oct. 19-20. "At a time when the needs in the missions have grown substantially, and the urgency of the cry of the poor is all the more pronounced, I ask you for the gift of your generosity. With the mutual efforts of our clergy, religious, and faithful, every parish in this local Church should embrace a true concern to do the very best for those most in need. Jesus commissioned His apostles and told them, "As the Father has sent me, so I have sent you" (John 20:21). That is the eternal challenge and privilege of all the Church's servants and all the faithful. Let us pray that this year World Mission Sunday will touch each of us deeply, and that we will be united in providing true assistance where it is needed most, for the sake of Christ! I thank you in advance for your serious and generous response to the needs of others. In the end, the words of the Catechism of the Catholic Church instruct us: "It is by what they have done for the poor that Jesus Christ will recognize his chosen ones" (CCC, 2443)."

Timothy Michael Cardinal Dolan
