Our Journey in Faith -

An essential feature of the Christian community to which we belong is that of baptism, a bond that unites people together in a cleansing act of the Father, Son and Holy Spirit. The tridentine base of this sacrament roots us to God in Himself as revealed to us in the person of Jesus, our Savior. It is an eternal commitment that God makes to us, that we are His forever, that we belong to His family, such as a son or daughter to a parent, that we moreover are His heirs, inheriting a share in His life and a protection and peace that He alone can give.

This extraordinary bond that we have with God is lived out in our imitation of Christ - He is the Way, the Truth and the Life. Our action, values and spirit are touched by God Himself. Our response to this sacred bond we have with God needs to mature and ripen through the various stages and events of our life - the environments we create, the choices we make, the commitments to which we are tied, the association we have with each other, the goals toward which we strive - are or ought to be a reflection of our baptism. God is the alpha and omega, the beginning and the end of our lives. In our journey of faith we must evidence Him in all that we are and do!

PARISH NEWS

Christmas Offering:

We thank you for your generosity in our Christmas collection. As you know this is one of the major collections in helping us to meet our expenses. If you were away for the holidays, please remember to contribute when you can!

1 Peter 4:10 - As each has received a gift, use it to serve one another, as good stewards of God's varied grace:

We are in need of your help. If you have a special talent and time to donate to your parish, please contact the rectory. We are especially in need of plumbers, painters, carpenters and contractors. We would like to establish a list of volunteers who can be called upon when the need arises to care for the physical plant of the church. Contact the rectory to be placed on this list. Thank you.
