### Christmas Offering:

We thank you for your generosity in our Christmas collection. As you know this is one of the major collections in helping us to meet our expenses. If you were away for the holidays, please remember to contribute when you can!

We are in need of your help. If you have a special talent and time to donate to your parish, please contact the rectory. We are especially in need of plumbers, painters, carpenters and contractors. We would like to establish a list of volunteers who can be called upon when the need arises to care for the physical plant of the church. Contact the rectory to be placed on this list. Thank you.

## Our Journey in Faith -

*Since the Second Vatican Council a common understanding of Church is "people of God" united by one faith, one Baptism, one Lord. This oneness underlies all our differences and is the goal that we all share through our faith in Jesus, the Christ. Redeemed through His death and Resurrection we are to one another as brothers and sisters. Our common Father is God, our family is the Church. When Jesus was questioned as to who His family was He responded that the ones who did the will of His Father were brother, sister, mother to Him.*

*It is in this union with Christ in doing the will of God that we function as members of the Church. Our response to the situations and challenges of everyday life in a Christ-like manner makes real and actual our faith. From the very beginning Christians were distinguished by their love and compassion. The testimony of the Acts of the Apostles indicates the Christian's willingness to share whatever they had with each other, not only their faith but also their goods and belongings. And so too must we!*

*We need to cooperate and work with each other. The consequences of bickering and argument are division and separation. Where there is no communication or transparency, there is suspicion and doubt. There can be no sense of community.*

*In the long history of the Church, even in the development of dogma, the role of the laity was pivotal. Two feasts, the Immaculate Conception and the Assumption, were proclaimed only after centuries of belief by God's people. Moreover, today, God's people are speaking and living Christ's message in many lay movements and have assumed more and more responsibility in health, peace, and ecumenical efforts throughout the world.*

*Your active participation as God's people, cooperating with His grace, gives renewed life to our Church. If ever there has been a time for all of the People of God to assume their rightful place in our Church, it is now!*

James F. Healy
