### Our Journey in Faith

After a loved one dies there is always a period of adjustment for those left behind. To varying degrees, an absence is felt. Days seem incomplete without that person being physically present - nights are long and the passage of time seems eternal. How does one go on with one's life without one's beloved?

This acute state of mind was experienced by Jesus' disciples after His death. They were fearful and confused, but they stayed together. Huddled in a room they prayed and supported each other. And beyond their wildest dreams, Jesus appeared to them. He was alive and urged them to forgive. It was as if they too had undergone a death. In place of fear there was renewed confidence, in place of hesitation and doubt, they were imbued with courage and forthrightness.

Faced with punishment and incarceration, they took to the streets, and even the temple area and announced that the Jesus who was crucified and died, had risen from the dead; and they were witness to this.

Doubt, loneliness and fear were driven from their minds, hearts and will. In their place, there was the certitude of faith. Yes, they believed and would give their lives to spread that belief. But it was not just their words that conquered the doubts of others. It was how they lived the message - their kindness, charity, forgiveness and total dedication. Upon this lived faith was the church established - a heritage that none of us can forget.

Volunteers Needed - We are in need of Lectors for all masses. If there are any High School or College students interested, please call the rectory and speak to Fr. Tommy regarding training.
