The Feast of the

Assumption of Mary

This week we celebrate the Feast of The Assumption of Mary into Heaven. It is an important feast because it says so much not only about Mary and her role as the Mother of Jesus, but also about her uniqueness and her relationship to us who benefit from her intercession on our journey to God. From the very first moment of her life we believe she was immaculately conceived. What this means is that uniquely the long chain of original sin was broken and consequently the effects of that sin. She was not plagued with the temptations and sins that mar our lives and moreover nor would she taste of death as we must. From very early on when referring to the end of her earthly life, Christians believed in her "dormition" or falling asleep. Her transition to a heavenly existence was thus an assumption - a lifting up by God, Himself. Far from the corruption of sin and death she joined her son in the glory of heaven. Understanding her unique role as mother of our Lord and Savior, we cling to her. Oh that we too could cradle her son in our arms, to love Him as she loves, and to stand by Him on the rocky road of our life. This is our prayer - that our souls may magnify the Lord, that God be ever present in our lives and that we too will be with Him at the end of our journey. With Mary at our side we aspire to share in her singular union with her son, to walk with the Lord and to enjoy the fulfillment of life in their company.
