Dear Parishioners,

As you know I have been laid up a bit because of an infected foot. Being diabetic this caused concern and therefore was a reason for surgery. Thank you for praying for me and wishing me the best and I hope that you are managing the best you can with this weather. I will attempt to offer Eucharist as soon as I am a bit more stable walking. I know you will understand that as we get older we have to be more careful. Keep up the prayers and know that you are in mine. I particular miss praying with the children.

With Affection, Fr. Healy

Our Journey in Faith

As we begin this Ordinary time of the liturgical year you may ask what are some of the distinguishing features of this period, what are we celebrating and to what end or purpose are we seeking? As with all liturgy our aim is to worship and praise our God and to thank Him for sending His Son to save us. In particular during this time we attempt to listen to Jesus in such a way as to enable us to become like Him. It is a time of assimilation, patterning our response to life's questions and dilemmas as Jesus Himself has done. It is, as St. Paul suggests, our way of "putting on Christ" - in speech, action and orientation, becoming through the grace and faith a new person in the Lord. There is much introspection and questioning of self during these days as we seek to authenticate our faith with our lives. Surely there will be mistakes, half-hearted attempts and failures. But there is also the belief that God is always there ready and waiting to assist us in our need. Yes, we need to pray for an increase of faith and for a willingness to turn to God for His merciful help. We must always remember that we are but disciples of the Master, pupils who must keep in front of us the goal of our Teacher - union with God forever!

Fr. James F. Healy
