*Help me to hear and answer your call to serve you. Guide me in the vocation you have chosen for me, as a neighbor in my community, as a worker in my employment, as a lay minister in our church community, as a loving spouse and mother or father in my family, or as a single person living a life of generous service.*

*We ask this through the intercession of Mary the Mother of the Church and through the saving grace of our Lord, Jesus Christ. Amen*

#### Holy Fathers intention for May:

##### Universal: Respect for Women

That in every country of the world, women may be honored and respected and that their essential contribution to society may be highly esteemed.

##### Evangelization: Holy Rosary

That families, communities, and groups may pray the Holy Rosary for evangelization and peace.

Living in a time of stress and upsetment many of us wonder about the future - of our lives, our families, our country. The overwhelming debt that our country must face, the decline of our economy, the lack of work, the mounting taxes are all factors that worry people today. There doesn't seem to be any easy solutions to our problems and with that there is a malaise and sadness to daily life. This has hit us especially hard since many people have a consumerist and materialistic world view. We are used to the goods and wealth of our nation and without them we are handicapped and feel less fulfilled. But should we, especially if we are Christians?

With the resurrection of Christ, we celebrate new beginnings, a renewed relationship with God and our fellow human beings. That relationship is not dependent on material things but rather on a recognition that we are all God's children and must work for the good of all. Greed and selfishness are at root in our economic collapse and often in our preferential treatment of one group over another group. We have to readjust our priorities so as to reflect the common good of our people. Yes, even in a free market economy, Christian principles of social justice must prevail. Basic human rights must be respected and people must be justly compensated for the work they perform. Yes, profits are fine if they make possible the future of a business and they guarantee employment but profits for the sake of profits is reprehensible. They should be used for the common good.

Above all, we who are dismayed about what is going on, must never lose hope. "Do not let your hearts be troubled. Have faith in God: Have faith in Christ."

*Fr. James Healy*

**"Make New Friends, Keep the Old"** - That is what happens when you help out in parish activities. You experience the love & dedication of parishioners which lead to the heart of the parish. Thank you to all who came out to make our Flea Market a success. Left over merchandise was donated to the Veterans & the Hope Community.

**Rest In Peace** - Many parishioners have requested the section of the cemetery where Msgr. John Gallagher is buried at the Gate of Heaven. It is Section 45, Plot 113, Grave 5/6

- Our Goal \$53,000
- Total Raised \$46,879
- % of Goal 88%
- Number of donors 140

For this *Appeal* to be truly successful, we must have support from all of our families. Please be as generous as possible. Thank you for your kind support.
