Our Prayer for the Vocations of Single and Married Laypersons:

Almighty God, You have given me the gift of life and the gift of Your Holy Spirit.

For these incredible gifts, I thank you. Help me in my daily life to use them well. Deepen within me a desire to do your will each day, every day, for all with whom I interact. Help me to hear and answer your call to serve you. Guide me in the vocation you have chosen for me, as a neighbor in my community, as a worker in my employment, as a lay minister in our church community, as a loving spouse and mother or father in my family, or as a single person living a life of generous service.

We ask this through the intercession of Mary the Mother of the Church and through the saving grace of our Lord, Jesus Christ. Amen

Archbishop Criticizes Gender Ideology: "Direct Path to Self-Destruction"

(Warsaw) Polish bishop finds clear words against the gender ideology and is showered with insults from anticlerical circles. The gender ideology is the "direct path to the self-destruction of our civilization."

The Polish Archbishop Marek Jędraszewski of Lodz defended the differences and complementarity of man and woman at a meeting with young people. The Archbishop tried to reject the attempt to flatten "the great and unique differences between man and woman that God thought of so wonderfully."

The archbishop said he could well imagine if the gender ideology should prevail, that "the few who continue to hold to the fact that man and woman are indeed equal as human beings and are fully equal in dignity, but have a different sex, and that's a good thing, will be put as Indians are in reservations by 2050." Archbishop Marek Jędraszewski is known for his vivid and clear language. He told young people at a youth catechesis in Pabianice near Lodz about the importance of accepting one's own gender and to defy every misanthropic egalitarianism. (*A notion of equality that goes against the nature of man and woman)

Gender ideology is an "extremely dangerous ideology"

The former theology professor had put the gender ideology at the heart of his speech, "which has become fashionable in recent years. To be exact, it's the only valid ideology according to political correctness," said the Archbishop. The gender ideology is an attack against "gender identity" of man as male and female and for an attack against the family and the generation of children. "It is an extremely dangerous ideology that leads directly to the death of our civilization," said Msgr. Jędraszewski.

The denial of God is unmistakable behind the gender ideology. It is the basic-engine of this "ideology of self-destruction." For it is God who "created man as man and woman," said Archbishop Marek Jędraszewski. "He created them for a life together, not that each goes his way, and not for homosexuality, but for oneness in marriage, so that they beget children, continue to give life and exercise stewardship over the world. Now a deluge may come after us," said the archbishop.

The speech by Archbishop Marek Jędraszewski of Lodz led to savage attacks against Church representatives. Anti-Church papers shower him with criticism and personal attacks. Considering the reception of what the Archbishop says, the Metropolitan had obviously hit the mark. (Editor Note: These savage attacks are not an accident. They are organized. Here you can feel the presence of Freemasons, well-placed in many governments working in the shadows.)

Archbishop Marek Jędraszewski was born in 1949 in Poznan. After his consecration, he worked in pastoral ministry and as a professor of theology. In 1997 Pope John Paul II appointed him auxiliary bishop of Poznan. In 2012 he was made Archbishop of Lodz by Pope Benedict XVI. (END)

Catholic Faith Facts-did you know? Although Jesus is truly Man He is not a human person. He is a Divine Person who always existed as the Second Person of the Blessed Trinity, the Son of God for all eternity. In other words He was always God, Who at a certain point in time took flesh from the Virgin Mary. Hence Jesus is a Divine Person Who has two natures: God and Man. Person answers the question, "who"? Nature answers the question "what"? We can say Jesus is one "Who" (Second Person of the Trinity) but two "Whats" (God and Man). We receive this Person whole and entire, God and Man in the Holy Eucharist. Therefore the most profound reverence and worship must be given by us towards this sacrament, the greatest of all the sacraments.
