**What is a Life in the Spirit Seminar and why should I attend?**

A Life in the Spirit Seminar is a chance to EXPERIENCE God and the Holy Spirit in our lives. Each of us has a relationship with God. We all know who He is and what great things He can do...but have you actually felt Him in your life? We were all given gifts by the Spirit in Baptism and Confirmation, but how many of us use these gifts to improve our lives and the lives of our family, church and community?

*As a people of God, we still have so much to learn about our ongoing immersion into God's life and Spirit.*

Life in the Spirit is an opportunity for you to "step away" and take the time to deepen you personal relationship with God...which may change your life!!
